## Tippi Toes

Tippi Toes offers positive, fun dance classes for girls and boys ages 1.5 – 10 years old! Our mission: to develop a love of dancing in children by creating a positive experience that promotes healthy living habits, helps build self-confidence, and a love for others.

Classes at TLC are on Mondays from 10:30-10:55 a.m. Tuition is \$35 per month. There will be a May dance program, too!

To enroll, please go to [www.tippitoesdance.com/oklahoma-city](http://www.tippitoesdance.com/oklahoma-city) and follow the instructions to enroll!

## Amazing Athletes

Amazing Athletes is an introduction into the basic fundamentals and mechanics of nine different sports and focuses on self-confidence, practicing teamwork, and improving seven key areas of motor development. Young children need guidance in building their balance, agility, strength training within a non-competitive, learning-based environment. Each class focuses on two different sports and incorporates activities proven to increase children's overall cardiovascular fitness, muscle tone, hand-eye coordination, reaction time and more! Teaching children life skills through sports is FUN! Classes are \$40 a month and lessons are each Thursday and now a class on Fridays, too. The program is for Zebras, Jaguars and Cheetahs. This program is a year-round activity. Enroll today for just \$20 (enrollment fee) and get your tee-shirt for

Amazing Athletes.

## Music Classes

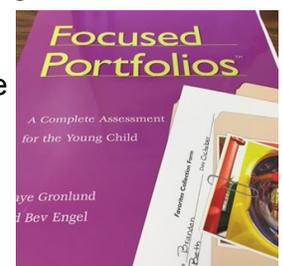

Your monthly tuition includes Music class on Wednesdays. Each week we have Miss Andrea from Munchkin Music bring her expertise to the Cubs (infants) through Cheetahs (4 year olds.) All of the children enjoy their music time and look forward to it. We have a program in May to share what the children have learned. Each month we send out songs, finger plays and key concepts that Andrea is working on with the children. Watch for this information each month in an email. Drop by to see the children in action. It is quite fun!

## Focused Portfolios

Our staff uses a process of documentation called "Focused Portfolios" to record children's growth and development. Through photographs, anecdotes and children's work samples, teachers put together a visual account of each child's accomplishments. This process recognizes and celebrates that all children develop at different rates and with various strengths. Collections are completed in fall and spring and are kept in a folder for the year, after which the portfolio becomes a keepsake for the child and family. This collection is a representation of your child as an individual with distinct interests, background, skills and desires. We will offer family conferences twice a year to share these special collections and to celebrate the accomplishments of your child. Families are invited to participate in this portfolio collection process in whichever special way you choose. Here are some suggestions:

- ⇒ Create a photo collage of your immediate or extended family
- ⇒ Write about a special family event or trip and include a photo
- ⇒ Share how your child's name was selected

## Monthly Fire Drill

Our last fire drill was conducted February 7, in the morning. The children exited the building in less than two minutes. They all go straight to the BIG outdoor playground. Teachers take attendance and talk to the children about the process so they can learn about safety.

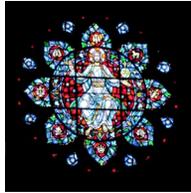

Each class practices going to our tornado shelter (downstairs) monthly as well. Make sure you practice what to do at home.

## ART CLASSES

Our art instructor, Ms. Heather, will continue her instruction with the children each week. The Monkeys and Zebras will have their lessons on Tuesdays and the Jaguars and Cheetahs will be on Fridays. We are really enjoying their creative experiences. Thank you all for your contributions to the projects!

## Children's Chapel Time

Our children are enjoying their time learning about God in our Sanctuary on Tuesdays, Wednesdays and Thursdays. We have a prayer, song and quick Bible story. As part of the Nichols Hills United Methodist Church's mission we are committed to leading children into faith for the transformation of the world. Tuesdays and Thursdays our chapel time is 2:45-3 p.m. and Wednesdays we have chapel 9:45-10 a.m. Families are always welcome to join us.

## Services at Nichols Hills United Methodist Church

We invite all families to our church services on Sundays. There is an 8:30 a.m. and a 10:50 a.m. service. Sunday school is typically 9:45 to 10:30. Child care is available. Our music, choir and sermons are very much the antidote for a hectic life. Please join us. For more information call the church 842-1486. See you then!

## Spring School Photos

Each spring and fall we have school photos taken by Larch Family Photography. Mark your calendars for **March 23**, Thursday. They begin taking photos about 8 a.m. of the staff and staff children. You are welcome to come early for pictures or just come at your usual arrival time and we will take them into the Fellowship Hall for photos. Some times children do a little bit better when the parent isn't there. Hard to believe I know, but Larch is wonderful and really puts out great pictures. You won't believe them. There will be an envelope to reserve your spot for pictures with \$1. This is just to commit that you do want them taken. There will be no pressure to buy anything if you don't want any pictures. The school does get a portion of the sales. We typically have a solid background (black or white) and some different scenery in the background. Siblings may have pictures taken together, too. Our photo proofs usually are returned quite promptly so you may see what pictures you would like to order. Again, no pressure. We will remind you the week before that picture day is **March 23**.

## IRS Tax Forms Available

## Recycle plastic bags

The Learning Center uses many plastic bags for soiled clothing or diapers. If you shop and have extra plastic bags we would love to take them off your hands. Bring one – bring a bunch. We appreciate them all. Thanks!

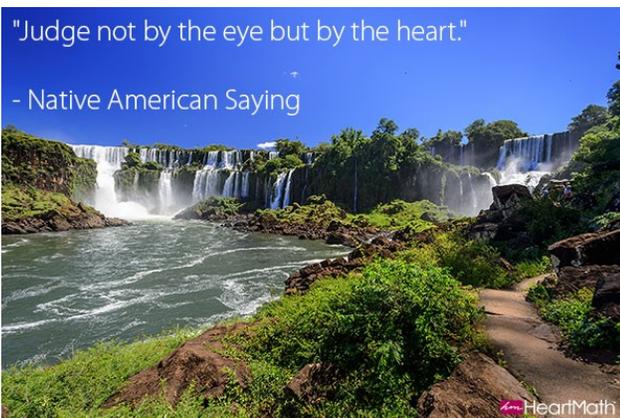

## Enrollment for Summer Session

Just a heads up about enrollment for the summer session (which will be March 20-24.) Once our currently enrolled families have chosen the schedule they want for the summer we will then open the enrollment to new families. We have some exciting and fun things planned for the summer session in particular for the school-agers. Enrollment fee of **\$75** will provide a tee-shirt and all fees for special activities and field trips. Space is limited for school-agers so don't delay in reserving a spot for your child.

## DID YOU KNOW. . .

Nichols Hills United Methodist Church is collecting items to be donated to John Marshall Neighborhood Market. We have worked to develop a relationship over the past few years. Recently we became aware of another support opportunity that will impact the students in a very meaningful way. With reduced administrative staffing from budget cuts, our church missions group was asked to take on the responsibility of the school food pantry. There is a huge need as evidenced by over 75% of the students qualifying for free or reduced lunches.

### On-going Needs for the Neighborhood Market:

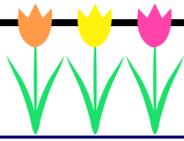

- **Women's Deodorant\***
- **Toothpaste\***
- **Small Laundry Detergents** (10 oz size is best for them to carry home)\*
- **Snacks** (bars, crackers, etc.) Anything that you can find a good deal on.
- **Travel Toiletries** (the students love the shampoo, conditioners, and shower gels)

\*You can usually find these at the Dollar Tree or other dollar stores. Your participation is greatly appreciated.

## INCLEMENT WEATHER PLAN

Please watch for OKC school closings when we have ice or snow. [Nichols Hills United Methodist Church](#) will come up as closed when this plan is in effect. Watch the main news channels 4, 5, or 9 to see the list of closings. We will text and email you all *to the best of our ability*. The phone line should have a message declaring a snow day as well. When in doubt you may always text your teacher, home room rep or Denise, or check the front page of our website. We hope to eliminate any confusion or inconvenience when the inclement weather arrives. It looks like it is going to be an active winter weather-wise. Let us know if you have any questions.
